### **Hotel for the DCJS Private Security Services Conference October 8 - 11, 2007**

We are very excited to announce that the Private Security Services Conference for 2007 will be held at the Hilton Virginia Beach Oceanfront in Virginia Beach. The dates will be Monday October 8, 2007 - Thursday October 11, 2007.

Towering 21 stories above the Virginia Beach resort district, the new Hilton Virginia Beach Oceanfront offers panoramic views that rank among the very best on the mid-Atlantic coast. City View rooms feature sweeping vistas west toward downtown Norfolk and dramatic sunsets. Ocean View rooms boast breathtaking seascapes - either North to Virginia's beautiful Eastern Shore, South to North Carolina, or to the East - miles of Atlantic Ocean waters and ships of all descriptions traveling to and from one of the world's greatest natural harbors.

Inside, guest rooms feel connected to the sea through the use of design motifs and a color palette emphasizing blues and greens. Cherry furnishings inspired by the Arts and Crafts movement lend an air of warmth and comfort. Upgraded linens, pillow top mattresses and sleek baths equipped with dual, five-jet showerheads provide an extra level of luxury.

The rooftop, zero-edge pool boasts unrivaled views of the oceanfront, while the indoor family pool is ideal for both parents and children alike. Fine collections of upscale shops are connected to the hotel via a climate-controlled walkway over Atlantic Avenue. Enjoy fireside dining on the patio of the excellent seafood restaurant, Catch 31.
